Koster**

**BUTTONWILLOW 4-H
SHEEP | LOT #5865**

2022 Kern County Fair

BUYERS LETTER

My name is Cheyanne Koster, I am 10 years old, and I show sheep. This will be my first year showing at the Kern County Fair. I have raised two sheep for the Kern County Fair. I have a natural named Pepinio and a black face cross named Simon that I will be showing. I started showing all over California and was named the 4-H Champion Natural Market Lamb at the 2022 California State Fair.

During my first year showing in 4-H, I have learned to care for my animals, the responsibility of making sure they are fed each day, and the hard work that goes into training them for each show. Next year I will be traveling to national shows including the American Royal in Kansas City and the National Western Stock Show in Denver.

I am writing this letter in hopes that you can sponsor myself and my animals for the fair. I go to practices every Tuesday and Thursday to prepare for the show. In between that I work my sheep with my family. I love what I do, and your sponsorship would mean a lot to me and allow me to continue my projects for the years to come.

I appreciate your consideration and hope you have a great day!

Sincerely,
Cheyanne Koster
